Splish splash through your day at Utah's largest water park. Enjoy a float ride in rambling river, experience one of many hair-raising slides for teenagers. Let the water carry you back and forth in the wave pool, or how about showing off your expertise at the old fashioned rope swing. There are even pools for the littlest family member.

Come join the fun. Pack the sun-screen, goggles, beach towels and jump in for a day of fun with the kids! They have half day admission as well. Check out their website for more information. Open Memorial Day to Labor Day.
